

Funding requests

Projects should be national in focus or centered on a geographic area where we operate, and be supportive of education or the environment. Submit a brief summary to:

Ashland Inc.
Contributions Program
50 E. RiverCenter Blvd.
Covington, KY 41011 USA

Ashland does not have a funding application and we do not solicit funding requests. We accept proposals only in June and July for the following year's funding.

ASHLAND

With good chemistry great things happen.™
