Re: **Generous Donation**

On behalf of the Clifton Fire Department I would like to thank you for the generous donation for the equipment supplied by you. This equipment ensures the safety of our members and allows the fire department to continue the service we provide. The *hand sanitizer* in addition to our protective equipment affords the members a barrier of protection so we can continue operating safely and efficiently. During times like this we are fortunate to obtain equipment and supplies from residents like you so first responders, firefighters, police officers, and emergency medical personnel continue caring for those in need of emergency services. Thank you again and if we can be of help to you in the future please let me know.

Sincerely,

Frank S. Prezioso
Fire Chief
