keto diets

an increasingly popular way to lose weight

- o keto is a very low carb diet
- o people who follow a keto diet strive to get most of their calories from protein and fat, drastically reducing their carbohydrate intake
- o the low carb diet puts the body in a state of ketosis
- o sticking with a low carb diet however can be difficult
- o Ashland's phase 2™ extract helps reduce the absorption of starchy carbs and it is a great ingredient to include in keto support products
